MEMORANDUM FOR: Deputy Director for National Foreign Assessment  
FROM: Director of Central Intelligence  
SUBJECT: Former Senator Robert Taft, et al.

I am having to lunch tomorrow General Westmoreland, former Senator Robert Taft and Ambassador Marshall Green. I think they are going to talk to me about the population crisis as a national security issue. It strikes me as a global issue. Whether we should be involved is a matter of which I have considerable skepticism. I hardly think it is worth your time but you are welcome if you want to join. I thought it might be well to have Jim Lynch or somebody from that group.
